

May 1996

Dear Customer:

Responding to our many customers' requests, NTIS is offering FBIS publications electronically. Due to resource limitations, hardcopy production of FBIS publications will be phased out during 1996. Hardcopy reports will be discontinued according to the following schedule:

1 April	<i>Arms Control and Proliferation Issues</i>
1 May	<i>Environment and World Health</i>
1 June	<i>Narcotics</i>
1 July	<i>Terrorism</i>

Hardcopy publication of the regional DAILY REPORTS will cease as follows:

1 August	<i>China, Latin America</i>
19 August	<i>Near East and South Asia, West Europe, Sub-Saharan Africa, West Europe Economic Review</i>
2 September	<i>East Asia, East Europe, East Europe Economic Review</i>
16 September	<i>Central Eurasia, Central Eurasia Military Affairs, Central Eurasia Economic Review</i>

FBIS' goal is to cease publication of all hardcopy reports by 31 December 1996 except for S&T PERSPECTIVES, S&T CENTRAL EURASIA, S&T CHINA, S&T KOREA, S&T EUROPE, and S&T JAPAN. The S&T reports will continue to be published as hardcopy until the graphics they contain can be disseminated on-line.

FBIS products are offered electronically through the National Technical Information Service's (NTIS) "World News Connection" (WNC). This is a new on-line subscription service accessible through the World Wide Web. The Web address is <http://wnc.fedworld.gov>. Please see the next page for a subscription form or call NTIS Fax Direct at 703-487-4140 and enter product code 8645 to receive more information.
